Expandable Hub Lube (EHL-32)

REMA TIP TOP Spray-On Expandable Hub Lube - a specialized lubricant for retread shops.

BENEFITS

- Excellent Lubricant for Expandable Hubs
- Ready-To-Use Formula
- Quick/Easy Application
- Petroleum/Silicone Free
- No mess or product build-up on equipment
- 70+ tires per application
- Specifically designed for use for expandable hubs utilized in retread shops

FOR BEST RESULTS: Wet the band surface at the start of your production shift, if needed due to high volume, apply again, midway through the shift. Under these application guidelines one bottle per hub should last 30+ days.

| Part No | Description | Size | Box/Qty |
|---------|---------------------|----------------------|---------|
| EHL-32 | Expandable Hub Lube | 32 oz. spray bottle. | 6 |
