

// ONE BRAND // ONE SOURCE // ONE SYSTEM

REMA TIP TOP Universal Tire Repair Units (UP)

The only patch you'll ever need for most nail hole repairs on radial or bias passenger, performance, light truck or truck tires. Part of REMA TIP TOP's exclusive Blue Bonding System, Universal Repair Units are specially reinforced for outstanding durability and reliability, and formulated to provide maximum flexibility. The non-directional, center-over-injury Universal Repair Units are available in boxes or convenient and cost effective pails. For best results, always select the corresponding REMA TIP TOP Stem insert unit, carbide cutter and Special Blue Cement (flammable) product for a permanent, reliable repair.

BENEFITS

- Universal application for radial and bias tires
- For injuries up to 5/16" (8mm) in the tread area
- Non-Directional, Center Over Injury repair units
