

REMACLEAN TMB

Drum motor brush

> > > The tailor-made conveyor belt cleaning system

The *REMACLEAN TMB* ensures highly efficient belt cleaning; it provides distinct advantages:

- “Belt friendly” cleaning
- Quick and easy fine adjustment through spindle system
- Various kinds of bristles tailored to solve specific belt cleaning problems
- Suitable for shuttle belt conveyors as the brush is integrated into the electronic control system of the conveyor
- Compact construction thanks to the use of a drum motor
- No laterally protruding parts
- Optimum positioning in the conveyor structure utilizing swivelling mechanism

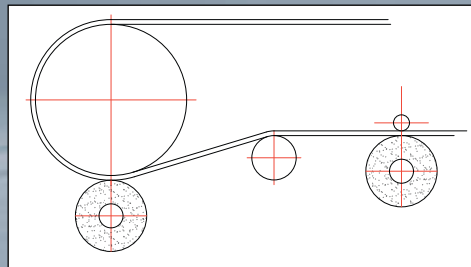

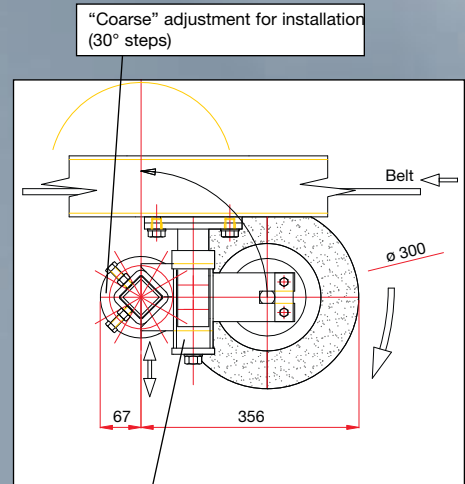

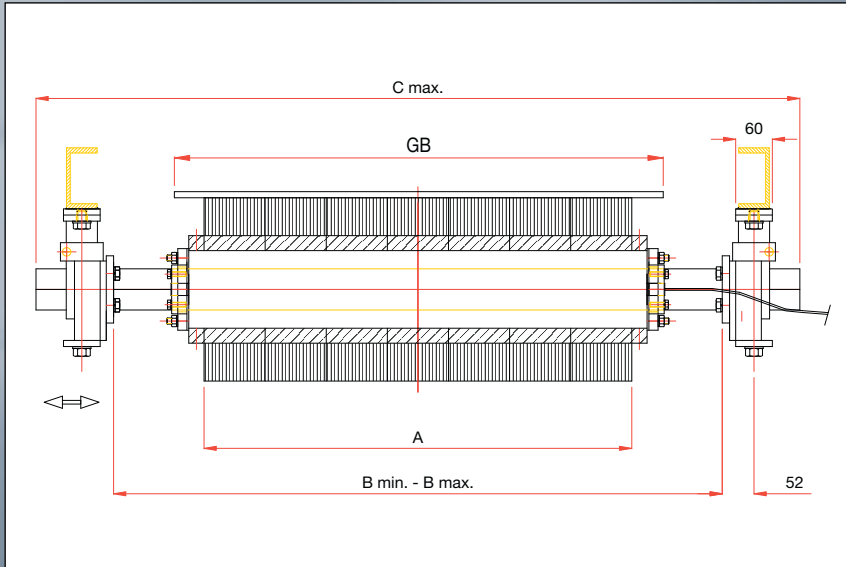

TIP TOP Industrie

One Name – One Source – One System

We advise. We deliver. We install. We provide customer care.
